The brewing interest which financed Brisbane, is solidly organized, centrally directed and has raised and spent millions.

With this fund it has financed disloyalty and Anti-American propaganda. With this fund it revived and published the

Bulletin of the German-American Alliance, after that publication had defended the rape of Belgium and the sinking of the Lusitania.

With this fund it has violated the political corrupt practices acts of state and nation.

With this fund it has secretly sought to control newspapers and periodicals.

With this fund it has run hidden tentacles into labor, business, educational and even religious organizations.

The U. S. Senate is now inquiring into its activities. Read what has already been proved against it in
